To Strengthen Partnerships

Work proactively to strengthen and improve working relationships with our partners; statutory bodies, organisations, local business and voluntary groups.

Through proactive networking and Parish Council representatives, encourage partners to approach the Parish Council with clear, well thought out constructive ideas which will benefit all sections of the community and on which there can be joint working.

To promote Communication at all levels

Publicise the work of the Parish Council through its website, newsletters and press releases.

Give the public the opportunity to ask questions at all of its public meetings.

Encourage public feedback, both positive and ideas for development, by visiting the website and during public participation at Council meetings. By including the community through questionnaires, by staff and councillors canvassing opinion and by any method which is relevant to the subject being considered.

To Manage the Council's resources wisely

Have good financial control through legal procedures and quality auditing to ensure that resources are spent on the needs of the community.

Focus resources on what matters to our community.

Attain maximum benefit from management of the Council's assets.

To promote a Sustainable community.

Acknowledge the diversity of what heritage means to Ashover and seek to maintain this through active engagement in the planned Ashover Design Statement expressing their views at Parish Council meetings.

Encourage ways in which our community can improve our environment and promote building resilience for the future, this includes being proactive in emergency planning and flood awareness.

Work to encourage balancing the current needs of people, the economy and the environment without compromising the future. Be sensitive to our environment and contribute to a high quality of life.

Promote safety and inclusion, opportunities and good services for all.

Work wherever possible with the business community to sustain economic vibrancy. digital media to record meetings is allowed. Separate arrangements are in place to protect those who may not wish to be recorded. The Parish Council works in partnership with community organisations, the business sector and voluntary organisations to enable wider community involvement.

The Council recognises that there are residents who may have specific needs or less chance than others to get involved such as the elderly, young people, those who are based rurally without transport etc. and will seek to use different ways in which to promote social inclusion. This could include having a presence at local events, ensuring regular information on what we

are doing is provided through the website, on our noticeboards, newsletters and annual reports.

We aim to use clear and jargon free opportunities to engage.

Feedback from community engagement will be included in Parish Council Minutes, on the website, through Annual Reports and newsletters.
