DEFIBRILLATORS - Ashover Parish Council has been working in partnership with Ashover Community Medical Centre Ltd., to provide defibrillators around one of the largest parishes in the country.

Ashover Parish currently has 5 defibrillators sited around the parish:-

Ashover – outside the Medical Centre on Milken Lane

Alton – in the red kiosk on Alton Hill

Littlemoor – in the red kiosk opposite the bus shelter

Milltown – on the outside of 'The Miners Arms' public house

Uppertown – outside the Social Centre

It is anticipated that a further defibrillator will be sited in Kelstedge very soon.

The units can be accessed by a unique code obtained by an emergency call to the 999 service. The defibrillators are fully automatic and are housed in a temperature controlled, lit cabinet. The unit can be used by anyone, as it provides full audible instructions.
